## Recognized for industry impact

Honored as one of 15 healthcare companies changing the industry

Named one of "The World's 50 Most Innovative Companies"

## Reducing generic drug shortages

**BRINGING** true competition to the generic drug market, focusing on quality, value, affordability and availability.

**ENSURING** stable and predictable supplies of quality, essential generic drugs to U.S. hospital members and long-term volume certainty to manufacturers.

**MITIGATING** shortages by meeting or exceeding hospital order commitments and maintaining consistent 6-month safety stock.
